

## **PROJECT GRADUATION CLASS OF 2024!!**

**Please return the signed contract & Deposit by April 1, 2024.**

Project Graduation is an alcohol and drug-free celebration for high school graduates. The tradition started over twenty-five years ago when 18 graduates tragically lost their lives due to alcohol and drug-related accidents on graduation night. It is a safe alternative to party hopping, keeping our graduates off the road. We are excited that our graduates will enjoy a private yacht cruising around Hudson River and enjoy, dinner, dancing and making memories. It will be an amazing way to celebrate their last time together as a class.
